Business directory listings are free with membership. If you'd like to purchase an additional listing for \$25 per listing, please indicate how many listings and which category/categories here:

1) \_\_\_\_\_

2) \_\_\_\_\_

3) \_\_\_\_\_

## **Committee Interests**

Our chamber's goal is to grow your business and our communities and we can do this best by understanding the needs of our members and the places where we live. If you have the heart to volunteer and to help forward our efforts, please consider becoming a part of one of our committees and give voice to your ideas. This is where the movers and the shaker get together!

### **Events committee**

The Chamber's Events Committee helps plan for our annual fundraisers and events, including the Santiam Awards Night Benefit, the Youth Benefit Golf Tournament and Business After Hours. In 2010-11, the Events Committee will be working on identifying a new major annual fundraiser for the Chamber. Members of the Events Committee are responsible for coordinating, promoting and executing the Chamber fundraisers and events.

### **Ambassadors committee**

The Chamber's Ambassadors Committee is a membership outreach program. This committee actively recruits new Chamber members, helps members get involved and use Chamber benefits. Ambassadors are responsible for greeting, directing and facilitating networking among members at various Chamber functions.

The committee aims to:

- recruit new members
- assist members in obtaining maximum value from their Chamber investment
- maintain a two-way communication link between the Chamber and its members
- retain existing members

The benefit for an Ambassador is that you are one of the first members to meet new members and member organizations. In addition, Ambassadors have the benefit of shaping the membership of the North Santiam Chamber of Commerce.

### **Liaison opportunities**

North Santiam Chamber liaisons are involved in other area organizations and keep the Chamber updated regarding their community partners' activities, which helps improve communication among area programs and encourage collaboration when relevant.
